Corresponding Author's name, address, affiliation and e-mail:

In submitting an article to any of the publications by Trivent Publishing Open Access I certify that:

1. I am authorized by my co-authors to enter into these arrangements.
2. I accept that the article be published by Trivent Publishing on its open access platform where it will be stored for an indefinite period of time. The publication will then be linked to both the author(s) and the publisher.
3. I warrant, on behalf of myself and my co-authors, that:
 - the article is original, has not been formally published elsewhere, is not under consideration by any other publication and does not infringe any existing copyright or any other third party rights;
 - I am/we are the sole author(s) of the article and have full authority to enter into this agreement and in granting rights to Trivent Publishing are not in breach of any other obligation;
 - the article contains nothing that is unlawful, libellous, or which would, if published, constitute a breach of contract or of confidence or of commitment given to secrecy;
 - I/we have taken due care to ensure the integrity of the article. To my/our (and currently accepted scientific) knowledge, all statements contained in it purporting to be facts are true and any formula or instruction contained in the article will not, if followed accurately, cause any damage to the user.

I agree to the Creative Commons Attribution Non Commercial (CC-BY-NC-ND 4.0) agreement, under which all of Trivent Publishing's open access articles are licensed.

Authors will have the right to:

- Share their article for personal and scholarly purposes (including scholarly rights to create certain derivative works), as long as they give proper attribution and credit to the published work;
- Retain patent, trademark and other intellectual property rights (including raw research data);
- Proper attribution and credit for the published work.

Brief summary of the CC-BY-NC-ND 4.0 agreement

Anyone is free to

- **Share**—the user may copy and redistribute the material in any medium or format

under the following terms:

- **Attribution**—The user must give appropriate credit, provide a link to the license, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use.
- **NonCommercial**—The user may not use the material for commercial purposes
- **NoDerrivates**—If the user remixes, transforms, or builds upon the material, (s)he may not distribute the modified material.

No additional restrictions—You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits.

The Corresponding Author signs for and accepts responsibility for releasing this material on behalf of any and all Co-authors.
